Do you have any baby wipes?" No, Isis. Leave it. It'll turn our readers on to know you just took a big load in your love oven. "My what? No, that's gross. I want to clean my pussy before you take pictures of it. I want to get ready for my close-up!" We respect your decision, Isis, but we disagree. A drippy muff is happy muff!

Kelly Summer is arguing with her boyfriend Tommy...again. "You need to stop hitting on my girlfriends!" Kelly says. "You're making me look like a fool!" Tommy has been eye-fucking Kelly's friends for months and has no intention of stopping, but he counters with, "What about when you blow all of my buddies under the table at the weekly poker game? HOW TO GET YOUR GIRL TO WATCH PORN WITH YOU!

STORY BY PETER THOMPSON

FOR MORE THAN FOUR DECADES, STARTING WITH THE BIRTH OF THE HOME VIDEO INDUSTRY AND THE PROLIFERATION OF CHEAP AND EASY-TO-ACQUIRE XXX PORN TAPES, MEN HAVE BEEN SEARCHING HIGH AND LOW FOR AN EASIER WAY TO BRING THEIR FAVORITE PORN STARS INTO BED WITH THEM AND THEIR SIGNIFICANT OTHER ON THOSE COLD WINTER NIGHTS. INJECTING A HEAPING HELPING OF XXX INTO YOUR DAILY RUTTING ROUTINE CAN BE QUITE A THRILL—LIKE ADDING HORSEPOWER TO YOUR CAR. SHARING THE JOYS OF SMUT WITH YOUR BELOVED MAY SEEM LIKE ONE OF THOSE THINGS THAT EXISTS ONLY IN URBAN LEGEND, BUT WITH THE RIGHT KIND OF PLANNING AND FORETHOUGHT, IT'S A FEAT THAT MORTAL MEN ACTUALLY CAN ACCOMPLISH—AND WITH A CERTAIN AMOUNT OF EASE.

It's actually not that hard. "Wanna watch some porn with me?" is really all you need to say to get things started. It's one conversation best left as simple and straightforward as possible. Many of us who were initiated into the world of sex with talk about "the birds and the bees" probably came out of it more confused than those who learned staying up late watching Cinemax on Friday nights.

I'M OKAY, YOU'RE FUCKIN' NUTS

Don't believe any of this? Is it really okay to talk about porn with your lover now? The Kinsey Institute for Research on Sex, Gender and Reproduction says "yes." And chances are you've got a TV in your bedroom and have left it on while you've had sex before. If you can power through sex while a rerun of your favorite sitcom regurgitates in the background, you can surely get busy between the sheets while something *entertaining* plays. However, should you find your sex life actually *needs* a laugh track, you might be beyond the kind of help and advice we can offer.

Certainly there have always been those few women who've rightly thumbed their noses at society's dated Victorian mores and delighted in a good plotless anal marathon or a juicy facial cum-shot film fest. To any man who's found himself married or in a relationship with a woman like this we can only say: *You lucky fucking bastard!*

Most women have been warped by society's crooked pointy finger. Those old, Victorian pale faces and sourpusses who have seemingly always been in control have also done their damndest to shame men into a race of closeted bathroom wankers, imposing a moral code of silence upon them lest they be outed as "lowlife

Continued on page 52

spunk monkeys with uncontrollable carnal desires." We would seem to owe some of that lust to our survival and propagation as a successful species. Yet, in most circles, porn is never to be spoken of in mixed company or else a man could be accused of all manners of degeneracy and indecency. The same goes for masturbating. For many years, polite society even got away with characterizing all gentlemen who enjoyed smut as some kind of sickly, raincoat-wearing pervert, an uncontrollable predator with hairy palms who spends his free time rubbing up against unsuspecting women in crowded elevators and subways.

For decades then, the very subject of watching porn with your significant other had become a non-starter, a veritable no-man's land fraught with so many landmines and barbed-wire that most thinking men decided it was wiser not to even bring it up. Porn stashes were kept secret and hidden. Some poor bastards trying to salvage the car crash of a contested divorce sometimes even found out the hard way that their characters could be utterly assassinated in a courtroom based solely on the presence of porn under their pillow.

Smut managed to completely and successfully polarize several generations of young men and women until the almost unthinkable happened: the Internet. Those who came of age during the latter part of the last century can't even fathom life being any other way.

With the coming of the Internet, XXX became digital and was literally everywhere and anywhere at the same time. Not only was it available 24-7, but a collection of carnal content the size of the Library of Congress could now be stored in your pocket and played back on almost any device, even your phone.

No longer did you have to put on sunglasses and slink off to the porn store to get the latest issue of *Backdoor Orgasm*. It was all right there in front of you on the screen (usually hidden beneath a couple of strategically placed advertorial windows).

It was even at *work!*

What's hotter than watching your girl watch two girls get it on?

PORN TO RUN

With the introduction of the Internet, porn was suddenly in everyone's home, whether they knew it or not. And with more than 50 percent of every single Internet page having something to do with porn or sex, it was suddenly not only something that couldn't be avoided, but it became so accessible that to deny or negate its presence began to raise more red flags than to talk openly and honestly about it. Porn didn't just go mainstream it went main-ocean. It was no longer a question of whether or not you watched porn, but suddenly the world flipped and the question was dramatically reframed as: "What type of porn do you prefer?" and more to the point: "Do you have any good links to send me?"

It's as if we all woke up one morning and the oceans had changed places with the land. Suddenly, women didn't have to risk their reputations to enjoy the smut men took for granted and, for many, it became a regular, though still not often talked about part of their life, as well.

Yet some of that stigma still persists. Talking about porn, having "the conversation" with your female partner is still one of the most uncomfortable and potentially embarrassing conversations a man and woman can have, but it's one that most certainly should be broached.

Hell, even mainstream science now agrees porn not only can be good for you, but it can be good for your relationship. In the past years several widely respected medical journals have completed studies proving that not only are couples who watch porn having more frequent and better quality sex (and doing it with a wider and hotter variety of positions), but that the bedroom bond between those partners who choose to be open and honest about their affinity of porn, translated into a tighter bond outside the bedroom and a higher level of trust and love.

In porn math, one plus one has always equaled more than two, but is always less than three. That's a fancy, very roundabout

Continued from page 37

way of saying that the way you watch porn when you're alone is not the same way you watch smut when you're in the company of another person.

Not that there's anything wrong with rubbing one out, but it just happens to be the complete opposite from the erotic shared experience you hope to have with your woman. Nobody says you've got to change your wanking style for good, but you do have to make adjustments to suit the company involved.

When watching porn by yourself you're doing just that—watching porn by yourself. There are no rules and nobody's feelings are going to get hurt by what you're viewing and the worst thing that can happen is that your jizz lands somewhere it shouldn't.

Perhaps the best metaphor here is traveling. When you travel by yourself you can toss your shit in the nearest $19-a-night flophouse and go right out looking for the nearest fish hut. But when you travel with another person, there's a good chance they're going to want to see the sights, explore the museums, eat out somewhere, and have an adventure. It's an entirely different method and philosophy.

TEACHING HER THE TRICKS OF THE TRADE

It's best to come at two-person smut viewing as equals the way you would any new hobby you pick up together—even though you're a grizzled vet, pretend to be a naive neophyte. Even if you've seen *Tiger's Woods* 15 times and normally fast-forward to the best facial cum shots, it will make a much more enjoyable viewing experience with your partner if you just sit back, and hand over all control of the situation. *That means giving her the remote.* Maybe she wants to watch the whole thing. Don't rush things. You want to turn the experience of sharing smut into an empowering event for her.

That said it's best to let her choose the movie. Talking about sex is very stimulating and the spirited dialogue will get both of you in the mood. Ask her what turns her on and what she doesn't like. Then find out what she's curious about and agree on some ground rules. When she's had enough of the dual smut fest respect her wishes, turn it off, and give her all of your attention. Perhaps it's useful to start with some softcore or some light lezzy fare and move on to harder stuff from there. Get her as invested in the game just as you would be watching sports. It's always easier to root for a team when you have a favorite player.

What's hotter than watching your girl watch two girls get it on? Which brings us to another important point. Normally you focus 100 percent of your energy watching *the* porn. This is a definite no-no when you're watching smut with your woman. Give her most, if not all, of your attention. Let her know how hard it makes you when you watch HER watching kinky shit. The goal here is to create a moment of deep intimacy (deep penetration will likely follow), so she doesn't want to think you're only concentrating on the on-screen fucking. It's also possible that she will worry about you focusing too intently on the perfect bodies on-screen and that you're going to subject her body to the same scrutiny. A remedy for that is selecting a title with amateurs, those without surgical enhancements. Be smart and selective, choosing instead amateur videos featuring women with visible flaws, even stretch marks.

There is a huge feminism trend in the porn industry and there are more female directors now than ever. That's because more women are coming out of their shells and watching porn than ever before. It probably doesn't hurt to remind her of this—watching smut does *not* make her a freak, but a member of a healthy expressive partnership.

Give her the props she deserves for having the *huevos* to be sexually confident enough to watch smut with you and always throw her compliments for wanting to to make your sex better and being willing to experiment. Even if your first try ends with both of you awkwardly cracking up because of the horrible acting or storyline, you'll still have had an incredibly successful

bonding experience. Explain to her that there's no timeline involved. Let her feel free to turn on that content and turn it off when she wants. Don't let her think that you NEED it to get off.

Try a bit of psychology and get her to begin to associate porn with you giving your best sexual performance, whether that means spending a few extra minutes between her legs eating muff or giving her better orgasms when she's grinding away on top of you. If she begins to develop hot and satisfying sexual memories and learns to associate them with smut, it will only increase her desire to watch more of it.

It may help to turn watching porn into a kind of game. Sure, Simon Sez is a bore-and-a-half when you're age three, but it can be a hoot when you play it with your girlfriend while watching a fuck flick. By copying the actors onscreen and performing whatever sexual feat they're attempting at the same time, the entire thing can become a sexy play-at-home game that's a hell of a lot more exciting than *Jeopardy*. It also diffuses any tension that she may have built up in her head and allows her to laugh off the nervousness. Congratulations, the possibility now exists for future sessions. And let me tell you, it'll be worth the wait, whether it's two weeks or two years. But the very fact that she's willing to experiment with you is the most positive sign she could possibly give—both for your relationship and your sex life.

NOTHING TO LOSE

Certainly, some of you still have your doubts. You're thinking "there's no way in *hell* my girl will ever watch porn with me", so it's not even worth the hassle. That may be true. Or, she might just need some time to work up to it. Remember, you've already accomplished one of the most difficult tricks in the business of male female relations and one that seems as against the odds as any. You might not realize it because you've learned to take it for granted, but most of the heavy lifting has already been done. You've somehow managed to convince a sexy female to not only go out with you and voluntarily spend time with you, but you've somehow, amazingly, convinced her to allow you to stick your cock into the three most personal holes a person has. If that's not proof that miracles can and do happen, I don't know what is. Studies have shown that the majority of woman already watch porn (current figures run anywhere from 55-90 percent, though an exact figure is hard to pin down).

But what if she says "No Way" and acts disgusted when you even mention porn? Why should you even bother if you know for a fact that she's not into it, never will be into it, and it's only going to provoke an argument? One thing to remember about relationships is that, in a woman's eyes, honesty is one of the sexiest qualities a man can possess. If being smart and caring is the mental equivalent of having a ten-inch cock, then being honest is like having six-pack abs and a chiseled chest. Even if it seems like you've screwed up by even bringing the idea up, chances are she's already well aware that you watch porn and will actually appreciate not only your forthright honesty about it, but the fact that you want to share this part of you with her. Even if she initially acts repulsed at the very thought of porn and tells you she couldn't sit through a single minute of it without vomiting, there's actually a pretty good chance she might eventually come around. At worst, you have one less lie you have to admit to.

A quick and easy template to follow is to pretend as though you're introducing her to your favorite sport, be it baseball or football. Sure, there are those special girls out there that are both hot and *know* the difference between an intentional grounding penalty and a home run, but many women are intimidated by sports because they don't know much about the minutia. They don't like to appear dumb and you probably haven't shown her enough patience to simply explain the rules of the game. Take the time to give her a sexy play-by-play of a porn you like and tell her why you think it's hot. Explain that it's not just the 36-24-28 measurements that turns you on, but the fact that this woman is sexually confident enough to be proactive about her wants. Ask her what turns *her* on. The goal here is to get to know each other better and to alter old routines to make them even more intimate. Porn is like professional wrestling—you know it's fake, but it's still fun to watch.

As important as talking about it beforehand is the postgame interview—a chance to discuss what you both liked and disliked. It doesn't have to be right away. Did something specific turn her off or was there something that really got her juices flowing? Does she want you to focus more on her? When the real action gets hot, does she want to turn the porn off or does she like to see and hear the people fucking and sucking in the background? This could lead to a whole new level of intimacy and potentially open those green doors for going even further? When all else fails and she tells you that watching porn just leaves her cold suggest the two of you make your own movie in which she's the porn star. At the end of the day, nothing will get her off more than seeing you jack off to her watching your own sex tape.

Porn is everywhere and it's not going

Porn is like professional wrestling–you know it's fake, but it's still fun to watch.

NEW SENSATIONS PRESENTS

MY FIRST GANG BANG

ALL IMAGES COURTESY OF NEW SENSATIONS

Samantha Rone and Alana Cruise are about to experience tons of anal sex in William H's *My First Gang Bang*. Both ladies are newcomers to gangbang sex and have been waiting for this moment for years. These girls are sex addicts and are proud of it. Alana is up first taking the D in every hole from James Deen, Steve Holmes, Ramon Nomar and Toni Ribas. DVD covergirl Samantha is next, fucking Ramon Nomar, John Strong, Mr. Pete, and Tommy Pistol. The scene climaxes in a hot DP in reverse cowgirl position, with Samantha getting her face coated in creamy, hot, jizz sauce. William H. has put two strong sex scenes together with two powerhouse performers.

Alana Cruise

Alana tells us that doing a gangbang has always been a big fantasy of hers. Alana likes being submissive, so a gangbang is like Christmas for her, letting a bunch of guys have their way with her. Alana then goes into a solo tease, shaking her little Latin booty. Alana finger-fucks her pussy, rubbing her clit while spreading her legs wide.

We then see Alana sandwiched between Ramon and Toni. She drops to her knees to start the action by sucking two cocks. James, followed by Steve, join in the blowbang and the guys order her to go dick-to-dick to dick, gagging all the way.

Ramon pulls her aside to start the fucking. He pumps her pussy while James walks up and pumps her mouth. The fucking heats up when Steve enters her asshole with his long pole. Alana continues to ride Ramon's meat. She screams that she fucking loves having all her holes fucked. Toni's cock replaces Steve's in her asshole and as Steve takes his cock from Alana's ass, he makes her taste her own ass. Yum! She continues to jerk and suck James' prick until changing positions to a reverse cowgirl DP with Steve anchoring her asshole and James pounding her pussy. Toni and Ramon feed her throat with their hard cocks, while her pussy and asshole are creaming all over those dicks. Doggy-style is next, starting with a fast and furious pummeling from Toni. Ramon follows suit, and she tells the guys to use her like a fuck toy. They take turns in her tight, little hole, giving her what she wants and continuing to drill her ass doggystyle. She orders them to give her their fucking cum as she kneels on the floor. Toni is the first to pop, then James and Steve splash her face with his jizz. Ramon finishes Alana's cum glazing, and she sucks off all his remaining spunk in her mouth. Good girl!

Samantha Rone

Samantha says that something super special is going to happen to her today; she is getting gangbanged. Just like getting a DP, her brain shuts off, and she's alive and cumming in the intensity of the moment. She is beside herself at the thought of the gangbang she has waited four long years for, ever since she got into the industry.

It's the moment she's been waiting for. Ramon stands behind her and fingers her pussy, making her eyes roll back into her head. Samantha begs to suck his cock. Go for it. She drops to her knees, takes his dick out of his pants and greedily sucks it. John joins the dick-sucking party, fucking her throat and making Samantha drool. Mr. Pete appears and grips her hair and face fucks Samantha. Tommy enters, giving Samantha another choice of cock, and now her face is covered in dick.

Samantha is gagging and gasping for air as the guys stuff her throat with dick. She bends over for doggy and sucks off Ramon and Tommy while John drills her cunt from behind. Then Mr. Pete replaces John and slams her pussy, stretching it even further. The doggy-style drilling continues until Samantha plants John's pecker deep inside her asshole. The doggy-style anal paves the way for a cowgirl DP in Samantha's holes. Samantha's cowgirl DP turns into a reverse cowgirl DP with John in her ass and Ramon deep in her pussy. Mr. Pete and Tommy fuck her face, keeping all her holes airtight. In reverse cowgirl, it sends Samantha to a new level in ecstasy, but Mr. Pete initiates a DP again. This has Samantha's body shaking. Her DP leads to a bukkake climax as the guys paint her face with spunk.

Both girls' faces are plastered in cum at the end of this non-stop fuck fest, leaving both Alana and Samantha with big smiles.

ANGIE SAVAGE & BRIANA BLAIR
WORKOUT & EAT OUT

Workout over, Angie Savage and Briana Blair hit the showers at the gym. They waste no time finger-popping each other beneath the hot spray. "That muscle head on the stationary bike kept staring at us," Angie says. "I think he wanted to fuck us and make us drain his dirty seed!" Briana doesn't answer because her mouth is locked on Angie's swollen clit and dripping honey hole. Brianna thinks Angie talks too much, so she plants her wet twat directly on her friend's face. In a few minutes it will be her turn to reciprocate.

HIGH SOCIETY'S

BAD GIRL CONFESSIONS

STARRING

SAMANTHA RONE

PORN VALLEY, CA—BLONDE, GREEN-EYED BOMBSHELL SAMANTHA RONE MAKES HER *HIGH SOCIETY* DEBUT IN A BIG WAY! SHE DOESN'T DO MANY INTERVIEWS, BUT WE GOT HER (THOUGH WE WOULD'VE PREFERRED TO "GET" HER), AND WE ALSO HAVE HER DEBUT GANGBANG SCENE FROM NEW SENSATIONS, *MY FIRST GANGBANG*, FEATURED THIS MONTH IN OUR BEHIND THE SCENES DEPARTMENT. SLOWLY WORKING HER WAY UP FROM GIRL-NEXT-DOOR TO ONE OF PORN'S BADDEST BAD GIRLS, SAMANTHA HAS A LOT TO CONFESS ABOUT.

ALL PHOTOS COURTESY OF 3RD DEGREE, AMATEUR ALLURE, DIGITAL SIN, EVIL ANGEL, MILE HIGH, NEW SENSATIONS, TUSHY.COM

HIGH SOCIETY: *Let's talk about your first gangbang, which you just shot for William H. at New Sensations. Had you worked with William H. before?*
SAMANTHA RONE: Yes, we worked on a DP scene about two weeks before my gangbang scene with Ramon Nomar and James Deen, and I also worked with William on Veronica Rodriguez's showcase, *Latina Goddess*. We have a great relationship. He kept me really calm on set. That's important when you're doing something like DP.

"I WILL OFFER A BLOWJOB TO GET OUT OF AN ARGUMENT."

HS: *Did you pick the male talent for the gangbang?*
SR: Yes, all the guys were hand-selected by me.

HS: *What was the most erotic moment of the gangbang?*
SR: Feeling like the "It Girl." Being the center of attention. The anticipation of knowing all these guys were going to fuck me was hot. I had a lot of fun doing my blow-bang scenes, too. They were so dirty!

HS: *You're a dirty girl! Can you see yourself doing something to top this gangbang?*
SR: I'm not sure how I could top it, but I strive in every scene to do something bigger and better and more fun. It's an honor working with all the people over at Digital Sin and New Sensations.

HS: *Have you ever used sex to get out of trouble?*
SR: I don't think so, but I will offer a blowjob to get out of an argument.

HS: *Ever have sex in your parents' house while they were there?*
SR: With a couple of girls, but not with a guy.

HS: *Have you ever been caught having sex?*
SR: Yes, recently.

HS: *Which of your scenes are you most proud of?*
SR: I'm very proud of my gangbang. I love *Back In the Butt* for New Sensations, *Feeding Frenzy 7 &* 8 for Jules Jordan, and I'm proud of the DP I did for Perv City. I love working with William H., Eddie Powell, Maestro Claudio at Perv City, and Jules Jordan.

HS: *What does the future hold for you?*
SR: Feature dancing, and I'm excited about going to Exotica Chicago and New Jersey this year too.

BRYNN TYLER & ROCCO REED

TASTE OF SPLOOGE

Blue-eyed blonde Brynn Tyler loves the taste of cum. She can tell what a man eats just by the taste of his seed. Her boyfriend eats a lot of junk food and his jizz tastes a bit like lard. Her therapist's cum is sweet and creamy —he's a vegan. The security guard who works at the gatehouse to her housing complex tastes like cleaning products. Brynn isn't sure what he eats—but it must be all good!
